

Mobile Depollution System

Everything for ELV depollution in a small space

COMPLETE SOLUTIONS

ISC

Mobile depollution system for end-of-life vehicles

Ideal
FOR OPEN CAR DISMANTLERS

Versatile
EASILY TRANSPORTABLE AND RECONNECTABLE

Ready to use
QUICK AND EASY CONNECTION

- Compact and versatile
- Efficient
- Fast suction
- ATEX certified
- Easy to use
- Low consumption

Easily transportable and reconnectable

The equipments are fixed to the structure.
