Container trolley with wheels

RPP

Container trolley for doors, tailgates and bonnets.

Stackable container

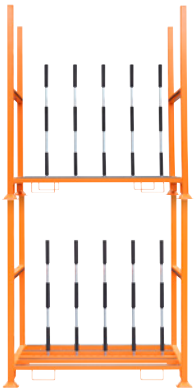

RPP-B

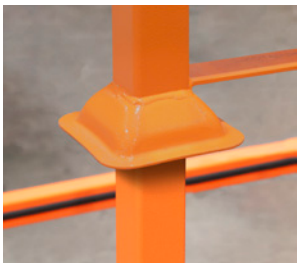

Stackable container for doors, tailgates, hoods, and spare parts.

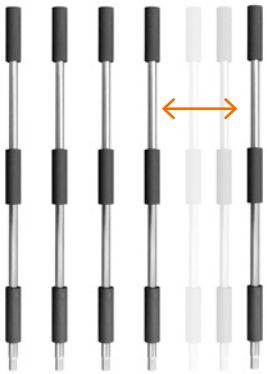

Manoeuvrability: Swivel wheels and movable base for smooth and effortless handling.

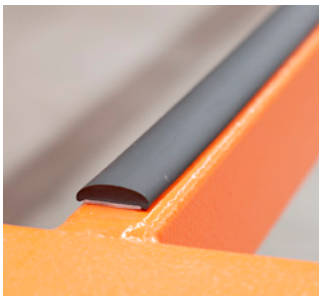

Stackable box up to 3 levels

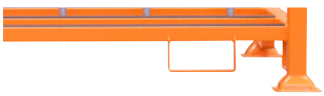

Adaptability: Adjustable rack that adapts to different shapes, sizes and weights, optimising available space.

Stability and safety: Flatbed with open bottom and 5 spacers to ensure stability without unbalancing. Non-slip guards reduce the risk of damage and slipping.
